## Software Developer

### SUMMARY

Enthusiastic and detail-oriented fresher with a strong foundation in C++ programming and experience in full-stack web development. Seeking a challenging role to apply my technical skills, contribute to organizational growth and enhance my expertise. Committed to continuous learning and effective teamwork.

### INTERNSHIPS

#### Aicte Virtual Internship-RPA Developer

- **Completed** AICTE virtual internship as an **RPA Developer**, automating workflows using **UIPath** tools for efficiency
- **Trained** in advanced **UIPath** features, mastering RPA techniques and improving task automation processes effectively
- **Developed** automation workflows, reducing manual processing time and enhancing operational efficiency in tasks
- **Implemented** error-free automated solutions, streamlining repetitive processes and ensuring consistent workflow accuracy

### TECHNICAL SKILLS

Programming Languages: Python

Web Development :HTML, CSS, JavaScript, React Js, Tailwind CSS, Bootstrap, Node JS, Express JS

Data Structure and Algorithms

Database : PostgreSQL, MongoDB, MySQL

Version Control : Git & GitHub

Tools : Ms (Word, Excel)

### SKILLS

Strong analytical and Problem solving skills

Critical thinking

Collaboration skills

Teamwork

Strong Communication skills

### EDUCATION

#### Bachelor of Engineering-(Computer Science)

Aug 2025

PCET's Pimpri Chinchwad College of Engineering

Pune

CGPA : 7.35

#### 12th

Jun 2021

Jaihind Jr College

Pune

Percentage : 88

#### 10th

May 2019

Dr. DY Patil Public School

Pune

Percentage : 89

### CERTIFICATIONS/

- **Certified** in **Data Structures and Algorithms**, showcasing expertise in problem-solving and efficient coding techniques

### PROJECTS

#### Swapify – Online Product Exchange Website

- **Developed** an online product exchange platform enabling users to **sell** or **buy** secondhand products efficiently
- **Integrated** user-friendly **Node.js** backend and **React.js** frontend, enhancing user engagement by 40%
- **Implemented** secure database management using **PostgreSQL**, ensuring seamless transactions for users
- **Optimized** UI with responsive **CSS**, improving page load time by 25% and mobile compatibility by 50%
- **Streamlined** operations using **Express.js**, reducing API response times by 30% and enhancing platform performance

### DECLARATION

I hereby declare that all the information mentioned above is true and correct to the best of my knowledge and belief.
